

PARI

Ring Size Guide

How to Measure Your Ring Size

To find your ring size, print this page onto a A4 paper format and match one of the circles below with the inside of a ring you wear in the same finger as the PARI ring you are interested in.

Before printing make sure the “page scaling” option is set to “none” in the print dialogue box.

Use a ruler to check that the scale corresponds to the scale of the page.
